RESPONSE TO RESTRICTION REQUIREMENT

Sir:

In response to the Office Action of June 25, 2007, Applicant provisionally elects with traverse, Invention I, having claims 1-10, 17-22 and characterized by the Examiner as a method for sampling a high temperature process stream, classified in class 436, subclass 180.

Applicant cancels with traverse Invention II, having claims 11-16 and characterized by the Examiner as an apparatus for reducing a pressure in a chamber, classified in class 422, subclass 104.

Respectfully Submitted,

A handwritten signature in black ink, appearing to read 'Jose R. de la Rosa', is written over a horizontal line.
